KAUST ACADEMY

A PREMIER PROVIDER OF EXECUTIVE AND YOUTH PROGRAMS

KAUST Academy is a leading education and training provider dedicated to delivering high-impact executive and youth programs. As part of King Abdullah University of Science and Technology (KAUST), the Academy offers cutting-edge learning experiences designed to empower future leaders, scientists, and innovators.

OUR EXPERTISE

KAUST Academy specializes in world-class educational programs that combine:

- 1 Advanced STEM learning (Science, Technology, Engineering, and Mathematics)
- 2 Leadership and innovation training
- 3 Hands-on project-based learning
- 4 Global collaboration and exposure

OUR PROGRAMS

KAUST Academy offers a diverse portfolio of executive education and youth-focused programs, including:

- **Executive Training:** Specialized learning experiences for professionals, executives, and industry leaders.
- **Youth Development Programs:** Summer schools, talent development programs, and STEM-focused boot camps.
- **International Exchange Opportunities:** Partnerships with top universities, including Oxford and Cambridge, offering global learning experiences.

KAUST ACADEMY & THE HIGH SCHOOL TALENT DEVELOPMENT

The High School Talent Development is part of KAUST Academy's mission to nurture young talent and prepare students for academic and professional success. Through cutting-edge courses, hands-on projects, and international exposure, participants will gain unparalleled insights into emerging fields like AI, robotics, and sustainability. By choosing KAUST Academy, students gain access to world-class faculty, cutting-edge research, and a vibrant learning community that fosters curiosity, innovation, and excellence.
